County to Reduce Community Vaccine Clinic Days of Operation, No Longer Scheduling Appointments

(Sedgwick County, KS) – Beginning the week of July 5, the Sedgwick County Health Department (SCHD) community vaccine clinic at 223 S. Main will be walk-in only on Wednesdays, Thursdays, and Fridays from 11 a.m. to 6 p.m. and Saturdays from 11 a.m. to 4 p.m. SCHD is focusing on providing vaccine every day of the week at mobile, partner and event clinics. Check out <https://www.sedgwickcounty.org/covid-19/vaccine/schedule/> for dates and times of clinic locations near you.

At all SCHD clinics, individuals can receive the Pfizer vaccine (for people aged 12 and older) or one-dose Johnson and Johnson (for people 18 and older).

Walk-ins Welcome:

Vaccine is available at SCHD clinics as walk-in only. As of July 5, no vaccine clinic appointments will be available on the Sedgwick County website. People who have already scheduled July appointments at the community vaccine clinic will keep their appointment unless it was scheduled on a Monday or Tuesday. SCHD staff will call people with appointments scheduled on a Monday or Tuesday in July to move their appointment to a different day.

Pay to Park:

Beginning Wednesday July 7, people going to the community vaccine clinic should plan to bring a quarter for the parking meter. Since February 22, the City of Wichita has offered no-cost parking at the vaccine site.

As of June 28, 42 percent of Sedgwick County residents have been vaccinated. Resume activities you enjoy, including travel this summer. Receive your COVID-19 vaccine today.

Vaccine Questions:

Contact your medical provider if you have questions about how the vaccine may interact with your medical condition and medications you take.

Please continue to direct general questions about the COVID-19 vaccine to (316) 660-1022; this line is not for scheduling appointments.
